COCIS is a federation of 26 democratic and progress oriented NGOs. COCIS NGOs are based all over Italy and manage about one thousand development programs in over 100 countries of the Third World and Eastern Europe. At present COCIS also includes NGOs connected with trade unions, Associations coming from ARCI confederation (ARCI, Culture and Development) and UISP's NGO. COCIS organises national campaigns on education to development and awareness raising.

SOLIDAR is an independent network of 25 organisations: NGOs for welfare and development and progress oriented Trade unions from all EC countries. Solidar launches European campaigns on the right of citizenship and development programs in developing countries. It also acts as consultant in the CLONG.

Terre des hommes Italia is the Italian member organisation of the International Federation Terre des hommes, which includes other NGOs with the same aims and name in Germany, France, Switzerland, Belgium, Holland, Denmark, Luxembourg, Syria, Spain and Canada. Terre des hommes is particularly concerned with problems connected with the realisation of Children's rights throughout the world.

CCU is a team of 8 NGOs managing the training programs with the Universities on international co-operation to development.
