# RECRUITING

## POSIZIONE: BRANCH ACCOUNTANT

**Azienda:** RENCO spa

**Sito web:** [www.renco.it](http://www.renco.it)

**Sede di lavoro:** ESTERO | Kazakhstan, Armenia, Russia, Congo, Mozambico

### Descrizione delle attività e mansioni assegnate alla risorsa

Fresh graduated in Economics, strongly motivated to work abroad in our Branches (such as Kazakhstan – Armenia – Russia – Congo – Mozambique). The internship will deal with accounting tasks, and it will give him/her the chance to build up a professional career which could lead to the autonomous management of the accounting, financial and cost controllig activities of the Branch.

**Company profile** Renco S.p.A., an Italian company founded in 1979, is continually committed to providing its Clients with sound business solutions in an ever increasingly complex and challenging environment. Renco, formed as a limited liability company, worked initially in project design and engineering within the Oil & Gas Sector. Today, the company has diversified its activities to encompass a wide variety of services meeting its Clients' constantly growing needs. Renco's core activities include consulting services, provision of technical staff, engineering and construction services for the energy, oil & gas as well as civil infrastructures sectors. Renco's organization has steadily expanded and today it has four main divisions – Industry, Infrastructures, Services and Asset Management. With numerous and important projects performed world-wide in over 50 countries, Renco has gained extensive, relevant international experience and has grown into a global company operating 16 offices in 10 countries around the world. Leveraging its proven project management procedures coupled with effective QA/QC and HSE management systems, Renco's staff, counting more than 300 Europeans and over 1350 other nationals, execute each project with maximum emphasis on safety, quality and on-time performance.
