

ELISA CARLONI

CURRENT POSITIONS

Post-Doctoral Research Fellow (*Assegno di ricerca (L.240/2010)*) (Dec 2022)

Department of Economics, Society and Politics - Università degli Studi di Urbino Carlo Bo (Italy)

- Research and activities on entrepreneurship education: experiences, methods and assessment tools, connected to the implementation of the UniurbLab.
- Tutor for the Regional project “Impresa in Aula” (Interreg Europe)
- Principal investigator: Professor Maria Francesca Cesaroni

Adjunct Professor for the Laboratory of International Business Strategy (A.Y. 22/23)

Department of Political and Social Sciences - Università di Bologna, Campus di Forlì (Italy)

- Appointed for the laboratory (40 hours) for the Master’s degree in International Politics and Economics (in English).

Adjunct Professor in International Business (A.Y. 21/22 and 22/23)

Department of Political and Social Sciences - Università di Bologna, Campus di Forlì (Italy)

- Module 2 in International Business (20 hours) for the Master’s degree in International Politics and Economics (in English).

Subject Expert (*Cultore della materia*) (Dec 2020)

Department of Economics, Society and Politics - Università degli Studi di Urbino Carlo Bo (Italy)

- Degree Program in Economics and Management (L-18, Bachelor), Economics and Management (LM-77, Master) and Marketing and Business Communication (LM-77, Master)- Disciplines SECS-P/08 Economia e Gestione delle Imprese (Economics and Business Management); Pianificazione e Gestione delle Vendite (Sales Planning and Management); SECS-P/10 Organizzazione Aziendale (Business organization).

EDUCATION

Ph.D. in Global Studies: International Economic Policy, Business and Governance (English program) (2017-2020)

Department of Economics, Society and Politics - Università degli Studi di Urbino Carlo Bo (Italy)

- Visiting Doctoral Researcher (February-June 2019) at Högskolan i Gävle (Sweden)
- Final exam passed on March 29, 2021, with the judgment of “Excellent”.

Title of the dissertation [“The combination of local and global knowledge in clustering processes: the role of public-private interaction”](#). Scientific Sector: SECS-P/08 Economics and Business Management. Supervisor: Prof. Alessandro Pagano; Co-Supervisor: Prof. Roberta Bocconcelli

Master’s degree in Political Science for International Institutions and Organizations: 110/110 cum laude (2015-2017)

Università degli Studi Internazionali di Roma “UNINT” (Italy)

Bachelor’s Degree in Foreign Languages and Cultures: 108/110 (2012-2015)

Department of International Studies: History, Languages and Culture - Università degli Studi di Urbino Carlo Bo (Italy)

- Erasmus Programme (2 Semesters in A.Y. 2013/2014) at Eberhard-Karls-Universität Tübingen (Germany)

WORK EXPERIENCE

Teaching activities in the Educational Seminar on “The role of soft skills in business management” (A.Y. 22/23)

Department of Economics, Society and Politics - Università degli Studi di Urbino Carlo Bo (Italy)

- Four seminars organized around the following soft skills: problem-solving, teamwork, emotional intelligence, and creativity.
- Course convenor: Professor Alessandro Pagano and Davide Cecchini

Post-Doctoral Research Fellow (*Assegno di ricerca (L.240/2010)*) (Mar 2021-Dec 2022)

Department of Agricultural and Food Sciences - Alma Mater Studiorum – Università di Bologna (Italy)

- Research and activities connected to the project “LOWINFOOD: Multi-actor design of low-waste food value chains through the demonstration of innovative solutions to reduce food loss and waste”. I was responsible for the task of cooperation and networking activities among research and innovation projects. As WP leader, I contributed to the work of standardization and upscale of technological and organizational innovations and worked for the evaluation of the efficacy of the innovations, as well as of the user-friendliness, replicability, and utility.
- Principal investigator: Professor Luca Falasconi

Collaborator (June 2020-Oct 2020)

Department of Economics, Society and Politics - Università degli Studi di Urbino Carlo Bo (Italy)

- Activities for the organization of international initiatives (workshops and conferences, i.e., AISSEC; book development workshops)

Academic Tutor (Dec 2019–Dec 2020)

Department of Economics, Society and Politics - Università degli Studi di Urbino Carlo Bo (Italy)

- Support and consultancy activities, addressing services offered by the University, support activities for inbound, ongoing and outbound orientation initiatives
- Activity carried out at the Department of Economics, Society, and Politics (DESP)

Collaborator in teaching, administrative and research activities (Feb 2019-May 2019)

Faculty of Education and Business Studies - Högskolan i Gävle (Sweden)

- Support in teaching activities and exams for the course in “International Business Strategy” (MBA in Business Management) – activity conducted during the visiting period in Sweden (Erasmus Traineeship)

Collaborator in teaching activities (Nov-Dec 2018)

Department of Economics, Society and Politics - University of Urbino Carlo Bo (Italy)

- Seminar (2 hours) on “Globalization, Offshoring and Reshoring” for the course in “Economics of Globalization” (Master’s Degree) and support for exams

Intern (May-Oct 2017)

American Embassy of Rome (Italy)

- Providing services within the Customer Service Center: support for employees during check-in and check-out processes, improved communication and cooperation between departments,

technical assistance, and information dissemination, translation EN-IT and IT-EN, organization of the POTUS visit to Villa Taverna (Rome)

Intern (Oct 2014-Jan 2015)

Lingua Ideale, Italian Language School, Urbino (Italy)

- Back and front office activities, activities for foreign students

Interpreter and translator (June-July 2013)

iEi Media (Institute for Education in International Media)

- Interpreter and translator (EN-IT and IT-EN) as part of a journalism project for American students
- Organization and management of American students. Identification of critical issues and help in solving logistic and linguistic problems, improvement of communication skills

PARTICIPATION IN RESEARCH PROJECTS

Horizon 2020

- LOWINFOOD “Multi-actor design of low-waste food value chains through the demonstration of innovative solutions to reduce food loss and waste” (<https://lowinfood.eu/>) - March 2021 - December 2022
- FoodLAND “FOOD and Local, Agricultural, and Nutritional Diversity” (<https://foodland-africa.eu/>) - March 2021- December 2022

Una Europe DIGITALIZED! Seed Funding

- iDEAL “The Impact of Digital tEchnologies on sociAL innovations during the Covid19 crisis” (<https://distal.unibo.it/en/research/research-projects/european-projects/erasmus/ideal>) - March 2022 - September 2022

Others

- Ali-MENTI (<https://alimenti.uniurb.it>) - Università degli Studi di Urbino Carlo Bo (Italy) - Since November 2021
- Investigated topics: nature of innovation and innovation processes in the meat industry, with a focus on the role of different forms of aggregation between companies and other organisations, adopting an innovation network perspective.

OTHER COURSES AND QUALIFICATIONS

RISIS Winter School (15 -26 Feb 2021)

Research Institute of Sustainable Economic Growth (CNR-IRCrES) and Austrian Institute of Technology (AIT)

- Online school on Tools and methods for analysing complex Science, Technology and Innovation (STI) systems
- Advanced use of R for i) network science; ii) spatial models; iii) machine learning.

Summer School in Project Management (1-5 July 2019)

Università degli Studi di Urbino Carlo Bo (Italy)

- Full-time Summer School in Project Management – Working by projects adhering to international standards – Based on the professional standards of the PMI (Project Management Institute) and covering the following topics: principles and methodologies, knowledge areas,

stakeholder management, the human side of projects, project cost control and management, project quality management, the role of contracts, communication plan, agile project management & scrum, project, risk management, project procurement management

Workshop on Technology, Work and Internationalisation (29-30 May 2019)

Università degli Studi di Urbino Carlo Bo (Italy)

- Workshop dealing with the topics of Technology and international organisation of work and production; technology and employment; internationalization, technological relatedness and risk; technology, skills and productivity; networks and innovation

Advanced course in Innovation, Growth and International Production, Models and Data Analysis

Università di Roma "La Sapienza" (Italy) (21-25 May 2018)

- Lectures on (selection): innovation and employment in firms; MNEs and location of production and R&D; Firms' internationalization and GVCs; digital economy; offshoring, technology and jobs; innovation and environmental sustainability.
- STATA classes

PF24 course (April 2018)

Università degli Studi di Urbino Carlo Bo (Italy)

- Acquisition of 24 CFU (credits) in pedagogy, anthropology, psychology, didactics to gain access to the national FIT concourse

Master in Global Marketing, Communication and Made in Italy (2018-2019)

Centro Studi Comunicare l'impresa and Fondazione Italia Usa

- 300 hours of online courses (Export Credit Risk Management, Goods movement, Marketing, Internationalization, International contracts), exams and final project work

School of Studies in Politics and Trade Union Relations (Jan-Oct 2016)

Università degli Studi Internazionali di Roma "UNINT" (Italy)

- The training course is aimed at understanding and analysing the most significant socio-economic and political variables in Italy, Europe and on the global stage. Both the training activities and the research provided by the School are inspired by the constitutional principles of political, ideological, religious and cultural pluralism, which are understood to be the enlivening elements of a democratic system in order to raise awareness among citizens, especially young people, of the rights linked to citizenship and active participation in decision-making processes.
- Dissertation: European Structural and Investment Funds

European Youth Event (May 2016)

European Parliament's seat in Strasbourg (France)

- Three-days event with a wide range of stimulating discussions and debates on war and peace, apathy or participation, exclusion or access, stagnation or innovation, collapse or success

Course in mediation, conciliation and alternative conflict management (Feb-June 2016)

Università degli Studi Internazionali di Roma "UNINT" (Italy)

CONFERENCES, WORKSHOPS, SEMINARS

17th International European Forum (Igls-Forum) on "System Dynamics and Innovation in Food Networks" (Feb 2023)

Organized by the University of Bonn in Garmisch-Partenkirchen (Germany)

- Co-author of the research paper “Promoting sustainable food systems: An empirical analysis of local Food Hub governance models in 12 African settings”

5th Digital Transformation Conference “Digital Spaces: Firms, Platforms, Ecosystems, and Industries”

(upcoming - Feb 2023)

University of Trento (Italy)

- Co-author of the research paper “Digitalisation projects in leading industrial district firms: a case of missing local connections? An explorative study”

36th EFFoST International Conference 2022 “Shaping the Production of Sustainable, Healthy Foods for the Future”

(9 Nov 2022)

University College Dublin (Ireland)

- Participation in the Special Session organized by the Sister Project Cooperation Groups (Horizon 2020 projects funded under calls RUR-06-2020 & RUR 07-2020)
- Presentation of “A second chance for food surpluses: a digital marketplace to promote circular economy and avoid food waste”
- <https://lowinfood.eu/2022/10/26/lowinfood-and-all-sister-projects-together-in-the-36th-effost-international-conference/>

XIX SIM Conference

(20-21 Oct 2022)

Università degli Studi di Salerno (Italy)

- Presentation of the short paper “Applying blockchain technologies to marketing processes: What impacts relationships in the agri-food industry?”
- Presentation of the short paper “The organization of Small Marketing Agencies at a crossroads: combining standardization and innovation”
- <http://www.simktg.it/sp/sim-conference-2022.3sp>

iDEAL Project Meeting

(5-6 Sept 2022)

KU Leuven (Belgium)

- Survey finalization to explore the uptake of digital tools during the Covid-19 pandemic and their impacts on Social Innovations’ organization/structure, activities and outcomes.

IMP Conference 2022

(26-27 Aug 2022)

Università degli Studi di Firenze (Italy)

- Co-author of the paper “A resource interaction perspective on the evolution of digital servitization: from after-sales to advanced services”
- <https://www.imp2022.unifi.it/>

ALI-MENTI - Ripensare l’agroalimentare. Diritti, regole e valori nella filiera della carne

(26 May 2022)

University of Urbino (Italy)

- Participation in the mid-term conference of the project Ali-MENTI
- Presentation: “Right to safe and quality food: 'the two securities'. Product and process quality in the meat value chain” (G. Adezati, L. Angelini, E.-M. Bagarotto, S. Battistelli, P. Campanella, E. Carloni, A. Pagano, R.M.E. Palavera, G. Remotti, G. Renzi, E. Righini, M. Rubechi)
- Focus on the development of collaborative networks for innovation in the meat value chain
- <https://drive.google.com/file/d/1Et4TWJVnCVChIwjaEW7XUQvCs9VCOPw7/view>

iDEAL Meeting

(23 May 2022)

University of Bologna (Italy)

- Organization of the iDEAL project's meeting
- Survey validation exercise with social innovations
- <https://distal.unibo.it/it/notizie/il-progetto-ideal-incontra-le-parti-sociali>

Organizer of the Workshop “Innovation dynamics in agri-food value chains” (30 Mar 2022)

LOWINFOOD Project

- Organization of the sessions on innovation practices (involving start-ups, institutions at regional and European levels, universities, and research centers)
- <https://lowinfood.eu/2022/03/30/all-together-on-the-way-against-food-loss-and-waste/>
- <https://distal.unibo.it/it/eventi/workshop-on-innovation-dynamics-in-agri-food-value-chains>

General Project Meeting of LOWINFOOD (24-25 Feb 2022)

Universität für Bodenkultur Wien (Austria)

- Organization of parallel sessions and presentations on the activities of cooperation and networking with projects funded under RUR-06 and RUR-07-2020

Invited speaker at Expo Dubai 2020 “Towards sustainable food, from production to consumption” (20 Feb 2022)

Cluster-ER Greentech and Clust-ER AgriFood

- Presentation “The routes to food waste: insights on consumer-level dynamics”
- <https://meatingitaly-dubai.com/en/eventi/conference-towards-sustainable-food-from-production-to-consumption-following-sustainable-dinner-en/?occurrence=2022-02-20>

XVIII SIM Conference. (14-15 Oct 2021)

Università Politecnica delle Marche, Ancona (Italy)

- Presentation of the short paper “Tendering processes in Public Procurement Projects: A case study”
- <http://www.simktg.it/sp/2021.3sp>

18th International Symposium on Waste Management and Sustainable Landfilling - Sardinia symposium (14-15 Oct 2021)

- Co-author of the paper “Monitoring household food waste in Italy: a diary study over 500 families”.
- <https://www.sardiniasymposium.it/>

179th Seminar of the European Association of Agricultural Economists (09-10 Sep 2021)

Mediterranean Agronomic Institute of Chania, Ciheam Mai

- Presentation of the paper “Reducing food waste through institutional innovations: scenarios of food loss and waste reduction through a virtuous use of withdrawal”.
- <http://179eaae.maich.gr/>

IMP Conference 2021 (26-27 Aug 2021)

University College Cork and Waterford Institute of Technology (Ireland – Virtual)

- Co-author of the paper “The Organisational Configuration of Tendering Processes in Public Procurement Projects: an exploratory analysis”.
- <https://conference.ucc.ie/imp-2021/>

Invited speaker Webinar “Impresa, reti e territorio” (24 June 2021)

Università Cattolica del Sacro Cuore di Milano, Università degli Studi di Urbino, CENTRIMARK,

CRIMPI

- Presentation on “Distretti e I4.0: nuovi attori e nuove sfide” (Industrial districts and Industry 4.0: new actors and new challenges).
- <http://www.simktg.it/sp/webinar-impresa-reti-e-territorio.3sp>

General annual meeting of FoodLAND (H2020)

(16-17 June 2021)

University of Bologna (Italy)

- Presentation on “Enhancing the conditions: Food Hubs, from social to technological innovation”.

Thematic Workshop on “Designing co-creation activities for innovation in Food Value Chains“

CREDA-UPC-IRTA

(9 June 2021)

- Presentation of co-creation activities implemented with the LOWINFOOD project as part of RUR 06&07-2020 project partners.
- <https://lowinfood.eu/event/cooperation-workshop-designing-co-creation-activities-for-innovation-in-food-value-chains/>

IMP Forum Seminar

(17-18 May 2021)

Uppsala University (Sweden)

- Presentation of the empirical paper “Upgrading Resources in the Industry 4.0 context: the case of small consulting firms”. Discussion on research related to conceptual and methodological issues concerning exchange, interaction and networks.

Invited speaker to the Management Department Seminar

(28 January 2021)

Università Politecnica delle Marche, Ancona (Italy)

- Invited to present the results of a research paper on the role of formal clusters supporting the internationalization of small firms to the members of the Department of Management.

3rd international conference on Cluster Research

(24-25 Nov 2020)

Universitat Politècnica de València and University of Valencia (Spain)

- Presentation of the paper “Formal clusters supporting small firms' internationalization: a case of public-private interaction”.
- <https://www.rethinkingclusters.org/wp-content/uploads/2022/03/Programa-Rethinking-Clusters-FINAL-UNIVA-2020.pdf>

XVII SIM Conference

(29-30 Oct 2020)

LIUC - Università Cattaneo di Castellanza, Varese (Italy)

- Presentation of the short paper “Public-private interaction within projects literature in IMP. A review and agenda for future research”.
- <http://www.simktg.it/sp/sim-conference-2020.3sp>

PhD Seminar Sessions

(3-4 June 2020)

Università degli Studi di Urbino Carlo Bo (Italy)

- Ph.D. research project presentation of the paper “The dissemination Mechanisms of Industry 4.0 knowledge in traditional industrial districts”.

Organizer of international workshops and seminars

(June-Oct 2020)

Università degli Studi di Urbino Carlo Bo (Italy)

- AISSEC and book development workshop

XVI SIM Conference

(24-25 Oct 2019)

Università Cattolica del Sacro Cuore, Piacenza (Italy)

- Presentation of the short paper “Non-business actors in business networks”.
- <http://www.simktg.it/sp/sim-conference-2019.3sp>

IMP Forum Seminar

(3-4 Oct 2019)

Università Politecnica delle Marche, Ancona (Italy)

- Presentation of the empirical paper “Formal clusters supporting small firms' internationalization: a case of public-private interaction”. Discussion on research related to conceptual and methodological issues concerning exchange, interaction and networks.

PhD Seminar Sessions

(28-29 May 2019)

Università degli Studi di Urbino Carlo Bo (Italy)

- Ph.D. research project presentation and presentation of the WIP paper “Emerging form of public-private interaction in international business projects: the case of formal clusters”.

HES Seminar

(13 March 2019)

Högskolan i Gävle (Sweden)

- Ph.D. research proposal and development presentation. Discussion with faculty members.

IMP Forum Seminar

(7-8 Feb 2019)

Uppsala University (Sweden)

- Presentation of the conceptual paper “Non-business actors in business networks”. Discussion on research related to conceptual and methodological issues concerning exchange, interaction and networks.

IMP Doctoral Colloquium and conference

(4-7 Sep 2018)

KEDGE Business School, Marseille (France)

- Ph.D. research project presentation and discussion
- Three-day conference with workshops, track session of papers and a meet the editor session

LANGUAGES AND COMPETENCES

Languages: *Italian* mother tongue, *English* proficiency (CEFR C1), *German* proficiency (CEFR C1), *French* working knowledge (DELF B2), *Spanish* working knowledge (CEFR B2), *Swedish* basic knowledge (CEFR A1)

Digital Competences: Apple macOS; Microsoft Office (Word, Excel, PowerPoint, Access); Apple Office (Pages, Numbers, Keynote) | R and R Studio; NVivo | Platforms for online collaboration (Blackboard Collaborate, Google Meet, Microsoft Teams, Zoom)

AFFILIATIONS

[European Association of Agricultural Economists \(EAAE\)](#)

[Società Italiana di Marketing \(SIM\)](#)

[Società Italiana di Management \(SIMA\)](#)

[Accademia Italiana di Economia Aziendale \(AIDEA\)](#)

Special Interest Group (SIG) on Resources within Industrial Marketing and Purchasing (IMP) group

THESIS SUPERVISION

A.Y. 2020/2021 – Co-supervision of a thesis entitled “the management of business incubators in the Marche Region: the BP CUBE case” (in Italian). Master’s Degree in Marketing and Business Communication (University of Urbino).

A.Y. 2021/2022 - Supervision of a thesis entitled “Sustainability and Innovation in the Portuguese Textile Industry: a case study of Avelana, Fábrica de Malhas” (in English). Master’s Degree in International Politics and Economics (University of Bologna, Forlì Campus)

A.Y. 2021/2022 - Supervision of a thesis entitled “Tools, strategy, challenges, and solutions of the implementation of a digital marketing department in a B2B company: a case study about Kadant” (in English). Master’s Degree in International Politics and Economics (University of Bologna, Forlì Campus)

A.Y. 2021/2022 - Supervision of a thesis entitled “The role of corporate culture in the internationalisation process of Western firms in China” (in English). Master’s Degree in International Politics and Economics (University of Bologna, Forlì Campus)

A.Y. 2021/2022 - Co-supervision of a thesis entitled “Covid-19, Inward Foreign Direct Investments and Global Value Chains. The case of Ford Motor Company and the automobile industry in Brazil” (in English). Master’s Degree in International Politics and Economics (University of Bologna, Forlì Campus)

EDITORIAL ACTIVITY

- Guest Associate Editor for *Frontiers in Sustainable Food Systems* for the section Social Movements, Institutions, and Governance for the Research Topic “Innovation Dynamics for the Transition to Sustainable Food Systems”
- Committee for the evaluation of contributions on environmental sustainability and gender equality at “Visioni Future” Festival dell’Economia di Trento (June 2022)
- Referee: *Journal of Business and Industrial Marketing*, *Competitiveness Review*, *Waste Management*
