## Personal skills and competences

Mother tongue(s) **Italian**

Other language(s)

Self-assessment

European level (\*)

**English**

**French**

Understanding		Speaking		Writing	
Listening	Reading	Spoken interaction	Spoken production		
B2	B2	B2	B2	B2	
A1	A1	A1	A1	A1	

(\*) *Common European Framework of Reference for Languages*

Social skills and competences

I have good communication skills thanks to the various work experiences in which communication with customers was essential, thanks to team sports practiced since childhood and thanks to the group work carried out during my studies.

Organisational skills and competences

I am a very responsible person and for this reason I believe I have good organizational and management skills thanks to which I have always carried out my work and private commitments.

Computer skills and competences

- I have good computer skills acquired through the European Computer Driving Licence (ECDL);
- Use of statistical software "Stata"

Other skills and competences	<p>As a child I practiced classical dance and it is an activity that has made me acquire rigor, discipline and seriousness;</p> <p>Despite my young age, I was able to travel and get to know different cultures, such as Japan, which impressed me with their deep respect for people and the environment.</p>
Driving licence	B-licence, automune.
<b>Additional information</b>	
Projects	<ul style="list-style-type: none"> <li>• In these two years of specialization I had the opportunity to work on some very interesting and formative projects: a contingent evaluation study on the adoption of community composers studying the case in the town of Colle Val D'Elsa and a cost-benefit analysis on the possibility of eliminating, from the distributors of the University of Economics of Siena, plastic water bottles and use special "fountains", equipping students with steel bottles during registration;</li> <li>• I carried out a project for my degree thesis with the University of Urbino: "The propensity of conventional farms to convert to the organic system";</li> <li>• During my secondary school course I participated in a project called "Mayor of the boys" and I had the honor to win and represent my school at a regional conference. It was a very formative and interesting experience.</li> </ul>
Seminars	<p>I have had the opportunity to attend numerous seminars in my university studies career including some of the most interesting ones were:</p> <ul style="list-style-type: none"> <li>• Civil economy and communion;</li> <li>• Laboratory of accounting;</li> <li>• Design of a business plan;</li> <li>• Banking;</li> <li>• InnovaMarche.</li> </ul>
Courses	<ul style="list-style-type: none"> <li>• I took part in a basic coffee course organized by "Club Kavè", with a final certificate;</li> <li>• In May 2016 I decided to leave for a study holiday abroad, precisely in Malta, where I attended an English course at the school "ESE", with the subsequent issue of a final certificate.</li> </ul>
Personal data	<p>I authorize the processing of my personal data in accordance with Legislative Decree 30 June 2003, n. 196 "Code for the Protection of Personal Data" and the GDPR (EU Regulation 2016/679).</p>
