Communication skills	I believe I have good skills to work in a team: I always seek collaboration and the exchange of ideas.
Academic Year 2018/2019	I took part in the team project " <i>Aula Emprende</i> ", a European competition in which the University of Urbino "Carlo Bo" joined, which provided for the drafting of an innovative and entrepreneurial project.
Academic Year 2019/2020	I was a student represented in the Joint Teachers-Students Commission (CPDS) of the School of Pharmacy at the University of Urbino "Carlo Bo".
Academic Year 2020/2021	I am a student representative in charge of the Joint Teachers-Students Commission (CPDS) of the Department of Biomolecular Sciences at the University of Urbino "Carlo Bo".
Organizational / managerial skills	I have good organizational skills, both in individual and group work: I am a methodical and committed person, who respects deadlines and completes the commitments made with responsibility and dedication.
Job-related skills	The experience of experimental thesis has allowed me to acquire skills and knowledge of some technical specifications used in the molecular biology laboratory: <ul style="list-style-type: none"> <li>• Ability to carry out in vitro maintenance of cell lines in suspension and adhesion</li> <li>• Ability to perform cell phone counts</li> <li>• Knowledge of the following experimental protocols: <ul style="list-style-type: none"> <li>- DCFH assay</li> <li>- Dosage of GSH</li> <li>- Fast Halo Assay</li> <li>- Extraction, dosage and reverse of RNA</li> <li>- Real time-PCR technique</li> <li>- Cytotoxicity and cytoprotection experiments</li> <li>- Experiments for the in vitro evaluation of antioxidant and anti-inflammatory activity</li> </ul> </li> </ul>
March 2021 – today	I am doing an experimental thesis at the Department of Biomolecular Sciences: Thesis supervisor Chiar.mo Prof. Piero Sestili Scientific-Disciplinary Sector (SSD) / BIO14
E-skills and competences	Competence in the use of Word and Excel; overall good knowledge of the Office package. Good ability to use search engines for the consultation of scientific literature, in particular PubMed.
School Year 2014/2015	Obtaining the ECDL (European Computer Driving Licence) after passing 7 computer modules – Annex 2
Driving Licence	I own type B driving licence and car.
<b>Additional informations</b>	I am always ready to get involved and get out of my comfort zone, welcoming all the opportunities for personal and social growth that arise along the way.
<b>Attachments</b>	Annex 1: Certificate of passing the State Exam for a Diploma of Scientific High School Annex 2: ECDL Certificate
