

Giorgia Ravera

EDUCATION AND TRAINING

MSc in Marine Biology

Università Politecnica delle Marche [05/11/2018 - 19/07/2021]

Address: Via Breccie Bianche 14/B, 60131 Ancona (Italy)

www.univpm.it

Final grade : 110L/110 - **Level in EQF:** EQF level 7

Thesis: Meiofaunal assemblages inhabiting shallow water hydrothermal vents from the Aeolian Islands

Relator: Prof. Silvia Bianchelli

Correlator: Elisa Baldrighi, PhD

BSc in Biological Sciences

Università degli Studi di Torino [23/09/2015 - 12/10/2018]

Address: Via Accademia Albertina, 13, 10123 Torino (Italy)

www.unito.it

Final grade : 107/110 - **Level in EQF:** EQF level 6

WORK EXPERIENCE

Trainee

CNR - IRBIM [11/2019 - 06/2021]

Address: Largo Fiera della Pesca 2, 60125 Ancona (Italy) - <http://www.irbim.cnr.it/it/>

City: Ancona

Country: Italy

- Sorting of meiofauna from shallow water hydrothermal vents from the Aeolian Islands;
- Statistical analysis of the data

Trainee

Archipelagos - Institute of Marine Conservation [08/2019 - 10/2019]

Address: Lipsi Island, South Aegean, 85001 Lipsi (Greece) - <https://archipelago.gr/en/>

City: Lipsi

Country: Greece

- Ecological-environmental assessment of the health status of the megafauna benthic community of Lipsi Island bays;
- Citizen science project with international sailing tourist to raise awareness about *Posidonia* meadows importance and to make them collaborate in record cetacean sights

Trainee

Università degli Studi di Torino [04/2018 - 09/2018]

Address: Via Accademia Albertina, 13, 10123 Torino (Italy) - www.unito.it

City: Torino

Country: Italy

Marine Biology and Genetics Laboratories

- Morphological analysis of crustacean larvae (Decapoda) by using stereomicroscopes and taxonomic keys;
- Molecular analysis of the previous samples: DNA extraction, PCR and barcoding

LANGUAGE SKILLS

Mother tongue(s): **Italian**

Other language(s):

English

LISTENING C1 READING C1 WRITING B2

SPOKEN PRODUCTION B2 SPOKEN INTERACTION C1

DIGITAL SKILLS

Microsoft Office / QGIS (basic) / RStudio (basic)

COMMUNICATION AND INTERPERSONAL SKILLS

Social skills (Italian and English)

Developed during my experiences as an animator and as a citizen scientist.

Team Work

Working in a team, with people of different ages or from different nationalities, was a fundamental part of both my animator and Erasmus experiences.

Adaptability to new, diverse and dynamic environments

Gained by having to move to pursue studies and to do my Erasmus Traineeship.

DRIVING LICENCE

Driving Licence:B
