

Curriculum Vitae Europass

Personal information

Name(s) / Surname(s) **Miriam Gómez Benmansour**

Address(esd)

Telephone(s)

E-mail

Citizenship

Date of birth

Sex

Work experience

January 2022 – June 2022

Master's thesis at the Universidad Complutense de Madrid in the BIOHET group of Dr. José Carlos Menéndez working on the synthesis of benzimidazole and derivatives by mechanochemistry.
José Carlos Menéndez: josecm@ucm.es

July 2021 – September 2021

3 months stay at the 'Instituto de Ciencia Molecular' (ICMol) in Dr. Carlos Gómez's group "Multifunctional Modulable Molecular Materials Group (M4)" in the synthesis of anilato-based Single Ion Magnets.
Carlos Gómez: carlos.gomez@uv.es

March 2021 – May 2021

3 months stay at the 'Centre de Recherche en Biomedicine de Strasbourg' (CRBS) searching on the synthesis of new anticancer agents from natural products in the laboratory of Dr. Laurent Desaubry
Laurent Desaubry: desaubry@unistra.fr

Education and training

2021 – 2022

Interuniversity master's degree in drug Discovery
Universidad Complutense de Madrid, Universidad de Alcalá de Henares, Universidad SP-CEU EQF level 7

2016 – 2021

Chemistry degree
Universitat de València and Université de Strasbourg (Erasmus 2020-2021)
EQF level 6

2013 – 2020

Professional violin studies
Conservatorio profesional de Música Ciutat de Moncada
EQF level 3

Personal skills

Mother tongue(s) Spanish

Foreign language(s) English: C1 (CAE-Certificate in Advanced English)

French: C1 (DALF-Diplôme approfondi de langue française C1)

Communication skills Good communication skills in my mother tongue and both French and English acquired during my internships in different laboratories with international students and supervisors.

Organisational / managerial skills	Working in three different laboratories allowed me to acquire good organisational skills and the ability to adapt to different situations and ways of work.
Job-related skills	Computer skills related to chemical research, both bibliographic search and data processing obtained during the different internships. NMR initiation course certificate
Other skills	Initiative, teamwork and perseverance obtained during my whole educational life.
Driving licence	B
Additional information	<p>Communications to congress: The 8th European Conference on Molecular Magnetism (ECMM 2022), Rennes (France). 2nd Workshop "Young Researchers Chemistry", Universidad de Valencia. May 2022.</p> <p>Publications: The influence of ethylene glycol versatility on magnetic properties and structure in anilato-based Single Ion Magnets. <i>Cryst. Growth Des.</i> (in preparation).</p>
