## SOCIAL SKILLS

Through my work on the field I learnt the importance of networking with professionals from other fields and providing up-to-date information to the people you are supporting.

I think the most important skills I have developed are the ability to listen, to respect and not victimize the beneficiaries.

---

## ORGANIZATIONAL SKILLS

- Working as an asylum caseworker, I developed the ability to organize my own agenda according to the deadlines imposed by the Asylum Commission and the Court in Bologna. I worked closely with cultural mediators, lawyers, social workers, doctors and psychologists in order to support the person's asylum claim.
- I participated in the organization and implementation of workshops which centered on children's rights in the Ibarra men's prison, and on migration routes at "Sanvitale" High School in Parma.

---

## CREATIVE SKILLS

I have a passion for '80s and '90s synthesizers as well as traditional instruments.

- In 2021, under the pseudonym "Personal Information" I released two tracks on the compilation "Out of Standard!! Italia 9" by ADN records;
- I collaborate on the stop-motion project "Ritagli in Movimento", creating the soundtrack for the animations.
